MEMORANDUM TO:

ALL SHOOTING CLUBS AND SHOOTING RANGES - ONTARIO

Re: Explosive Targets

It has come to the attention of the Chief Firearms Office – Ontario that there have been numerous questions brought forward to the executives of shooting clubs and ranges regarding the use of explosive targets on Chief Firearms Office Section 29 approved shooting ranges.

The Chief Firearms Office does not approve the use of explosive targets. This also includes tannerite.

Yours truly,

A handwritten signature in black ink that reads "Chris M. Wyatt".

Chief Firearms Officer
